Heritage Hall, located in the heart of the Madison Downtown National Register of Historic Places, invites you to enjoy your special day in a beautifully restored and elegantly furnished 1811 Greek Revival Home where romantic memories have been made for more than two centuries. You won't be allowed to test your diamond by scratching your initials on a windowpane as earlier brides who lived here, but you will never forget the romantic moments you make in a place overflowing with charm. Period furnishings provide an elegant setting for weddings, receptions, rehearsal dinners, showers, luncheons and brunches. In addition, our lovely lawn and garden provide a pleasant outdoor setting.
